

AT&T CV

About CV

Want video on your cell phone? You've got it. AT&T brings you news, sports, weather, entertainment and more.

With CV you can turn a few spare minutes—from a lunch break to a doctor's office wait—into an escape. It's available with compatible phones wherever 3G is accessible.

Programs

- In just three clicks, CV offers quick access to content you care about most:
 - TV to Go
 - News, including FOX News clips and broadcasts from CNN and NBC
 - Local weather forecasts and Entertainment

How Does it Work?

- Select the CV icon from your phone's main menu. Your CV home page will appear already loaded with the day's top news, the latest sports update, and featured entertainment clip. Select a clip and watch it play
- Every page in CV has a "Add to My CV" feature built in. If you find a page you like—whether it is a category like "News and Weather," a channel like "ESPN," or a particular TV program—simply scroll down and select "Add to My CV." Your newly-added favorite will appear at the top of your CV home page
- When you purchase premium content, it is automatically added to "My CV" as a Favorite

What does it cost?
