

Messaging

Communicate & Connect— the fastest way to talk without saying a word. Have something to say and need to say it now? Say it Text. Have something to show? Add pictures or video. Want to chat in real-time? IM is your answer.

Text Messaging— For quick, to-the-point communications

- Send and receive messages with other cell phones and email addresses quickly, quietly and easily

Instant Messaging— Speak your mind wherever, whenever

- Connect to your friends and colleagues in real-time with IM. See who's available, and carry on a chat for as long as you like. It's fast, easy, and affordable

Picture and Video Messaging— Live in the moment

- Share your favorite moments with Picture and Video Messaging. Send pictures and video to other mobile phones and email addresses

How Does it Work?

Text Messaging

- Launch your text messaging application from your phone, enter your text, and send this to the 10-digit phone number or email address of your recipient

Instant Messaging

- Launch your instant messaging application from your phone, access and log in to your IM account. Highlight your available buddy and start your instant message conversation

Picture and Video Messaging

- Launch your camera application from your phone, take a picture or record your video and select the option to send. Send you the 10-digit phone number of your recipient

What does it cost?

\$5—Messaging 200 (200 messages)
\$15—Messaging 1500 (1500 messages)
\$20—Messaging Unlimited (unlimited)
